Venturers

We are on track to start the new group after Easter. A session with parents is being arranged for after the AGM

RADLAC Pioneers:

Sasha and Jack had a meeting last week to discuss how our group is going. While we love the kids we have, we need more and are now in a position where we are familiar enough with the kids we have so we can build on that group now. Plan to get leaflets printed to hand to parents. We would also like Raj to speak to parents a bit more, we have a meeting next week with the centre manager to iron out these issues.
