We are all stations go for our fabulous exchange project. Please note the following pieces of essential information:

There will be a final camp preparation meeting for parents and carers of all Venturers during the BBQ at the Lodge on 10th July. It is vital everyone attends, please contact Alicia or Stuart if this is impossible.

Please keep the evening of 12th August free as we have booked Stratford Circus for a celebratory event and the premiere of our film. Refreshments will be provided.

We'll send out a flyer closer to the date.

Please could we have any outstanding contributions in this week.
