

## Newham Watersmeet Woodcraft Folk

Spring Camp 2014 May 24<sup>th</sup> -26<sup>th</sup> 2014  
**Past - Present – Future**

London Camp July 26<sup>th</sup> –Aug 2<sup>nd</sup> 2014  
**Back to the Beginning**

In 2014 Newham Watersmeet Woodcraft Folk will be celebrating 80 years of Woodcraft. This form is to confirm places on our annual spring camp at Debden campsite in Epping forest and the London Camp at Lyons Copse campsite in Hampshire. We are linking activities of these camps so it would be great if you can join us at both as part of our 80<sup>th</sup> celebrations. Both will be great, and most Woodcrafters would not want to miss either. We appreciate however that people may have other commitments, so present the options of both or either –see below

We have endeavoured to keep costs as low as possible but need commitment for each person attending to raise funds to cover costs. We are working hard to raise funds centrally, and if we are successful, there will be less pressure on individuals to raise these costs. If you are suffering financial hardship, please speak to someone on the Camps Committee or a Group Leader and we will try and access the Hardship Fund.

**All adults camping MUST be full members of Woodcraft Folk and have a Woodcraft DBS check in place in order to attend the camp. Mike Smith is the safeguarding officer: [mikesmith628@hotmail.com](mailto:mikesmith628@hotmail.com) (07976 843 580).**

***Adult campers who are not current members with valid DBS check in place will not be allowed to camp***

Adults who do not wish to camp but can help setup and breakdown will be very welcome. Please contact Alicia or Bill from Logistics team

Please ***complete all sections*** & return this form to your group leader or send to Mary Robinson, 109 Capel Road, Forest Gate, London E7 0JS **by 26<sup>th</sup> March 2014.**

**NWWF – CAMPS 2014 - BOOKING FORM** – to be returned (with deposits attached ) by 26<sup>th</sup> March.
